Information on Patron

Elinor Catherine Hamlin AC

AC, MBBS, FRCS, FRANZCOG, FRCOG

Australian obstetrician-gynaecologist Dr Catherine Hamlin was a pioneer in the treatment of obstetric fistula injuries. Catherine arrived in Ethiopia in 1959, co-founded Hamlin Fistula Ethiopia's Addis Ababa Fistula Hospital and went on to establish five more Hamlin fistula hospitals across Ethiopia, the Hamlin College of Midwives and Desta Mender – Hamlin's rehabilitation and reintegration centre for long-term patients with more complex injuries. Catherine's work continued uninterrupted for more than half a century, with more than 60,000 patients treated. Catherine's work was supported by thousands of Australian donors for which she was always grateful.

In March 2020, Catherine passed away at her home on the grounds of Hamlin Fistula Ethiopia's Addis Ababa Fistula Hospital. Ethiopian professionals – many trained by Catherine – have for some time been appointed to all major roles at Hamlin Fistula Ethiopia to ensure continuity well into the future. In Australia, the Catherine Hamlin Fistula Foundation will continue fundraising and supporting them to ensure Catherine's life's work to restore the dignity and health of women suffering a fistula injury will continue until fistula has been eradicated from Ethiopia.

Responsible Entities details

The following persons were Responsible Entities of Hamlin Fistula Ethiopia (Australia) Limited trading as Catherine Hamlin Fistula Foundation during or since the end of the financial year.

Responsible Entities details (cont'd)

Malcolm Hewitt

OBE MA(Oxon)

Appointment Date: 10/12/18

Malcolm has a long association with Hamlin Fistula Ethiopia. He is the current President of Hamlin Fistula UK Trust and has been a member for 16 years and was Chairman from 2011 to 2019. In his professional life he was the Head teacher of a large Secondary School in West Midlands becoming National President of the UK Secondary Heads Association in 1993 and he served as Chairman of the Board of Visitors at an Ope Prison for young offenders. He was awarded the OBE in 2000 for services to education.

Role: Director (non-executive)

Sarah Ames

Lawyer, J.D. MA

Appointment Date: 25/3/20

Sarah has been an active supporter in the U.S. since 2015 and has visited the Hamlin Fistula Hospital several times in the last few years. She was born and raised in Heidelberg, Germany and after going to law school in Hamburg, Germany and Tuscaloosa, Alabama, Sarah made her home in Chicago, Illinois. She is a partner at Quarles & Brady LLP, a national law firm in the U.S., and represents subsidiaries of foreign companies from Europe and New Zealand with regard to corporate, commercial employment and immigration matters. Sarah is an avid traveller who has been to the geographic North Pole twice to participate in marathons and who according to available records, was the first woman to run a marathon on each continent 3, 4 and 5 times. For her fifth time running around the globe, Sarah participated in an event that had her running 7 marathons on 7 continents in 7 days and raised donations for the Hamlin Fistula Hospital along the way.

Role: Director (non-executive)

Company Secretary

Alex Roberts is a Chartered Accountant and the Chief Financial & Operations Officer. Alex has held senior positions with a number of professional firms and has a degree in commerce. Alex has been Company Secretary of Hamlin Fistula Ethiopia (Australia) Limited trading as Catherine Hamlin Fistula Foundation since 2013.

Principal Activities

The company is dedicated to the eradication of obstetric fistula through provision of long term financial support for Hamlin Fistula Ethiopia and fistula prevention and treatment programs elsewhere in the world in partnership with Hamlin Fistula Ethiopia.

Short-term and Long-term Objectives

The company's short-term objectives FY2021 were to:

- Raise funds for the work of Hamlin Fistula Ethiopia.
- Increase awareness in Australia about the work of Hamlin Fistula Ethiopia.
- Raise funds to for final contribution to the building of the Terrewode Women's Community Hospital replicating the Hamlin model of care in Uganda, per partnership support agreement 2018-2020.

The company's long-term objectives are to:

- Provide significant financial support for the ongoing work of Hamlin Fistula Ethiopia's Addis Ababa Fistula Hospital, it's five regional centres, the Hamlin College of Midwives and Hamlin's Desta Mender rehabilitation and reintegration centre.
- Report on Hamlin Fistula Ethiopia's continued social impact on women in Ethiopia.
- Support broader adoption of the Hamlin model of care and ensure Drs Catherine and Reg Hamlin's legacy and the Hamlin model of care is protected into the future.

Responsible Entities' Report (cont'd)

Strategies for achieving the objectives

- Fundraising from individuals and institutions.
- Commercial retail sales program of fair-trade products from Africa which generate income and raise awareness.
- Communications and awareness raising about the work of Hamlin Fistula Ethiopia and Dr Catherine Hamlin.
- Best practice donor relationship management, record keeping and supporter privacy.
- Exemplary governance, transparent acquittal of donations and cost management.

COVID 19 Impacts & Events After Balance Date

The Coronavirus (COVID-19), which was declared a pandemic by the World Health Organisation on 11 March 2020, has had a significant impact on the global and Australian economy. The Company responded quickly to the crisis and new Government restrictions by implementing working from home procedures which continued throughout FY2021 with little impact on operations.

CHFF expects that COVID-19 may impact fundraising revenue in FY22.

Except for COVID-19 there has been no matter or circumstance, which has arisen since 30 June 2021 which has significantly affected or which may significantly affect the operations, in financial years subsequent to 30 June 2021, the results of those operations or the state of affairs, in financial years subsequent to 30 June 2021.

Members Guarantee

The company is limited by guarantee. If the company is wound up, the Constitution states that each member is required to contribute a maximum of \$20 towards meeting any outstanding obligations of the company. At 30 June 2021, there were 14 members.

Auditor Independence Declaration

A copy of the Auditors Independence Declaration for the year ended 30 June 2021 is included in page 5 of this financial report.

Signed in accordance with a resolution of responsible entities made pursuant to s. 60-40 of the *Australian Charities and Not-For-Profit Commission Act 2012*.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HAMLIN FISTULA ETHIOPIA (AUSTRALIA) LIMITED TRADING
AS CATHERINE HAMLIN FISTULA FOUNDATION
ABN: 58 159 647 499**

Report on the Financial Report

Opinion

We have audited the financial report of Hamlin Fistula Ethiopia (Australia) Limited trading as Catherine Hamlin Fistula Foundation ('the Company'), which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and the responsible entities' declaration.

In our opinion, the financial report of the Company is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the Company's financial position as at 30 June 2021 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (Including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The responsible entities' are responsible for the other information. The other information comprises the information included in the Responsible Entities' Report for the year ended 30 June 2021, but does not include the financial report and our auditor's report thereon.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HAMLIN FISTULA ETHIOPIA (AUSTRALIA) LIMITED TRADING
AS CATHERINE HAMLIN FISTULA FOUNDATION
ABN: 58 159 647 499**

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially consistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Responsible Entities' for the Financial Report

The responsible entities' of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the responsible entities' determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible entities' are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities' either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF HAMLIN FISTULA ETHIOPIA (AUSTRALIA) LIMITED TRADING
AS CATHERINE HAMLIN FISTULA FOUNDATION
ABN: 58 159 647 499**

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

Opinion pursuant to the *Charitable Fundraising Act (NSW) 1991*

In our opinion:

- a) the financial report gives a true and fair view of the Company's financial result of fundraising appeal activities for the financial year ended 30 June 2021;
- b) the financial report has been properly drawn up, and the associated records have been properly kept for the year from 1 July 2020 to 30 June 2021, in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations;
- c) money received as a result of fundraising appeal activities conducted during the year from 1 July 2020 to 30 June 2021 has been properly accounted for and applied for and applied in accordance with the *Charitable Fundraising Act (NSW) 1991* and Regulations; and
- d) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

Opinion pursuant to the *Charitable Collections Act 2003 (ACT)*

In our opinion, the Company has complied, in all material respects, with the requirements of the *Charitable Collections Act 2003 (ACT)* for the year ended 30 June 2021.

Opinion pursuant to the *Collections for Charities Act 2001 (TAS)*

In our opinion, the Company has complied, in all material respects, with the requirements of the *Collections for Charities Act 2001 (TAS)* for the year ended 30 June 2021.

Opinion pursuant to the *Collections for Charitable Purposes Act 1939 (SA)*

In our opinion, the Company has complied, in all material respects, with the requirements of the *Charitable Purposes Act 1939 (SA)* for the year ended 30 June 2021.

Opinion pursuant to the *Charitable Collections Act 1946 (WA)*

In our opinion, the Company has complied, in all material respects, with the requirements of the *Charitable Collections Act 1946 (WA)* for the year ended 30 June 2021.

**INDEPENDENT AUDITOR'S REPORT

The accompanying notes form part of the financial report.

Notes to the Financial Statements
For the Year Ended 30 June 2021

1. General information and statement of compliance

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profit Commission Act 2012*. The company is a not-for-profit entity for the purposes of preparing the financial statements.

The financial statements for the year ended 30 June 2021 were approved and authorised for issue by the Board of Responsible Entities on 28 October 2021.

2. Summary of Accounting Policies

Hamlin Fistula Ethiopia (Australia) Limited trading as Catherine Hamlin Fistula Foundation is a company limited by guarantee, and domiciled in Australia. The nature of the operations and principal activities of the company are described in the Responsible Entities Report.

The significant accounting policies that have been used in the preparation of these financial statements are summarised below

The financial statements have been prepared using the measurement bases specified by Australia Accounting Standards for each type of asset, liability, income and expense. The measurement bases are more fully described in the accounting policies below.

2.1 Revenue

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised net of the amounts of goods and services tax (GST) payable to the Australian Tax Office.

Donations and Bequests

Donations and bequests collected, including cash and goods for resale, are recognised as revenue when the company gains control, economic benefits are probable and the amount of the donation or bequest can be measured reliably.

Commercial Retail & Auction Sales

Revenue from sale of goods comprises revenue earned (net of returns, discounts and allowances) from the sale of goods purchased for resale and gifts donated for resale. Sales revenue is recognised when the control of goods passes to the customer.

Investment income

Investment income comprises interest. Interest income is recognised as it accrues, using the effective interest method.

In-kind donations

Merchandise donated for sale are included at the fair value to the company where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Notes to the Financial Statements (continued)
For the Year Ended 30 June 2021

2. Summary of Accounting Policies (Cont'd)

2.1 Revenue (Cont'd)

Government Grants

Australian Government grants are recognised when there is reasonable certainty that the grant will be received and all grant conditions are met. Government grants include amounts received or receivable under the Federal Government's JobKeeper Payment Scheme and Cash Flow Boost Scheme, which provide temporary subsidies to eligible businesses significantly affected by coronavirus (COVID 19).

2.2 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

2.3 Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less where the investment is convertible to known amounts of cash and is subject to insignificant risk of changes in value. For the purposes of the statement of cash flow, cash and cash equivalents consist of cash and cash equivalents as defined above, net of any outstanding bank overdrafts.

2.4 Financial Assets

Recognition / derecognition

The Company recognises financial assets and financial liabilities on the date it becomes party to the contractual agreement (trade date).

Investments are derecognised when the right to receive cash flows from the investments have expired or the Company has transferred substantially all risks and rewards of ownership.

Classification of financial assets

Financial assets recognised by the Company are subsequently measured in their entirety at either amortised cost or fair value, subject to their classification and whether the company irrevocably designates the financial asset on initial recognition at fair value through other comprehensive income (FVtOCI) in accordance with the relevant criteria in AASB 9. Financial assets not irrevocably designated on initial recognition at FVtOCI are classified as subsequently measured at amortised cost, FVtOCI or fair value through profit or loss (FVtPL) on the basis of both:

- (a) the company's business model for managing the financial assets; and
- (b) the contractual cash flow characteristics of the financial asset

Notes to the Financial Statements (continued)
For the Year Ended 30 June 2021

2. Summary of Accounting Policies (Cont'd)

2.4 Financial Assets (Cont'd)

Financial assets at fair value through profit or loss

Financial assets not measured at amortised cost or at fair value through other comprehensive income are classified as financial assets at fair value through profit or loss. Typically, such financial assets will be either: (i) held for trading, where they are acquired for the purpose of selling in the short-term with an intention of making a profit, or a derivative; or (ii) designated as such upon initial recognition where permitted. Fair value movements are recognised in profit or loss.

Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income include equity investments which the consolidated entity intends to hold for the foreseeable future and has irrevocably elected to classify them as such upon initial recognition.

Financial assets at amortised cost

Term deposits are classified (and measured) at amortised cost on the basis that:

- (a) they are held within a business model whose objective is achieved by the company holding the financial asset to collect contractual cash flows; and
- (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Impairment of financial assets

The company recognises a loss allowance for expected credit losses on financial assets which are measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the company's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

For financial assets measured at fair value through other comprehensive income, the loss allowance is recognised within other comprehensive income. In all other cases, the loss allowance is recognised in profit or loss.

Notes to the Financial Statements (continued)
For the Year Ended 30 June 2021

2. Summary of Accounting Policies (Cont'd)

2.5 Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

The Company has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

2.6 Inventories

Inventories comprise goods for resale. Inventories may be purchased or received by way of donation.

Commercial Retail Costs

Inventories of goods purchased for resale are valued at the lower of cost and net realisable value. The cost of bringing each item to its present location and condition is determined on a first in, first out basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

Donated goods are initially recognised at their current replacement cost at date of acquisition.

2.7 Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and any impairment in value.

Depreciation

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives to the union commencing from the time the asset is ready for use.

The depreciation rates used for each class of asset are:

Computers	25%
Office Furniture and Equipment	5-20%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

Gains and losses on disposals are calculated as the difference between the net disposal proceeds and the asset's carrying amount and are included in the statement of comprehensive income in the year that the item is derecognised.

Notes to the Financial Statements (continued)
For the Year Ended 30 June 2021

2. Summary of Accounting Policies (Cont'd)

2.8 Impairment

The carrying amounts of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. An impairment loss is recognised in the statement of comprehensive income for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value less cost to sell and value in use. For the purpose of assessing value in use of assets not held primarily to generate cash, this represents depreciated current replacement cost, as the Company is a not-for-profit organisation.

2.9 Accounts payable

Accounts payables and other payables represent liabilities for goods and services provided to the Company before the end of the Period that are unpaid. These amounts are usually settled in 30 days. The carrying amount of the creditors and payables is deemed to reflect fair value.

2.10 Employee benefits

Employee benefits comprise wages and salaries, annual leave, long service leave, contributions to superannuation plans and non-accumulating sick leave.

Liabilities for annual leave in respect of employees' services up to the reporting date that are expected to be settled within 12 months after the end of the period in which the employees render the related services are recognised in the provision for annual leave and are measured at the amounts expected to be paid when the liabilities are settled and amounts expected to be settled after 12 months from the end of the reporting period are discounted. Liabilities for non-accumulating sick leave are recognised when the leave is taken and are measured at the rates paid or payable.

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to anticipated future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on notional government bonds with terms to maturity and currencies that match, as closely as possible, the estimated future cash outflows.

2.11 Taxation

Income tax

The Company is a charitable institution for the purposes of Australian taxation legislation and is therefore exempt from income tax. This exemption has been confirmed by the Australian Taxation Office.

Notes to the Financial Statements (continued)
For the Year Ended 30 June 2021

2. Summary of Accounting Policies (Cont'd)

2.11 Taxation (Cont'd)

Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except where the amount of GST incurred is not recoverable from the Australian Tax Office, in which case it is recognised as part of the cost of acquisition of an asset or as part of an item of expense.

Receivables and payables are recognised inclusive of GST.

The net amount of GST recoverable from or payable to the Australian Tax Office is included as part of receivables or payables.

Cash flow is included in the statement of cash flow on a gross basis. The GST component of cash flow arising from investing and financing activities that is recoverable from or payable to the Australian Tax Office is classified as operating cash flow.

2.12 Lease assets

A lease asset is recognised at the commencement date of a lease. The lease asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Lease assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Company expects to obtain ownership of the lease asset at the end of the lease term, the depreciation is over its estimated useful life. Lease assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

2.13 Lease liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

Notes to the Financial Statements (continued)
For the Year Ended 30 June 2021

2. Summary of Accounting Policies (Cont'd)

2.14 Critical judgements and estimates in applying accounting policies

Lease term

The lease term is a significant component in the measurement of both the lease asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease or purchase the underlying asset will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the Company's operations; comparison of terms and conditions to prevailing market rates; incurrence of significant penalties; existence of significant leasehold improvements; and the costs and disruption to replace the asset. The Company reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

Incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the Company estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the lease asset, with similar terms, security and economic environment.

3. New or Amended Accounting Standards and Interpretations Adopted

The Company has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new, revised or amending Accounting Standards and Interpretations that are not yet mandatory have not been early adopted.

Notes to the Financial Statements (continued)
For the Year Ended 30 June 2021

22. COVID 19 Impacts & Events After Balance Date

The Coronavirus (COVID-19), which was declared a pandemic by the World Health Organisation on 11 March 2020, has had a significant impact on the global and Australian economy. The Company responded quickly to the crisis and new Government restrictions by implementing working from home procedures which continued throughout FY21 with little impact on operations. We are expecting that COVID-19 may impact fundraising revenue in FY22 as a result of further government restrictions.

Except for COVID-19 there has been no matter or circumstance, which has arisen since 30 June 2021 which has significantly affected or which may significantly affect the operations, in financial years subsequent to 30 June 2021, the results of those operations or the state of affairs, in financial years subsequent to 30 June 2021.
